PROFESSIONAL SUMMARY

B.Tech Computer Science Engineering (AI & ML Specialization) student at VIT Bhopal University with corporate Quality Control (QC) experience and a history of launching 3+ AI-driven SaaS applications. Proficient in Python, Java, SQL, and JavaScript with 109+ problems solved on LeetCode and hands-on experience designing 15+ REST APIs. Backed by Harvard's CS50 AI certification with 12 completed assignments covering neural networks, reinforcement learning, and transformers.

TECHNICAL SKILLS

Languages: Python, Java, C++, SQL, HTML/CSS, JavaScript
AI/ML & Generative AI: PyTorch, TensorFlow, Scikit-learn, NLP, Computer Vision, RAG, LangChain, BERT, Transformers
Databases & Vector Search: PostgreSQL, SQLite, FAISS, ChromaDB, Sentence-Transformers, Redis
Software Engineering & DevOps: REST APIs, Docker, CI/CD (GitHub Actions), AWS (EC2, S3), Git, GitHub, PyTest, Agile/Scrum

PROFESSIONAL EXPERIENCE

Quality Control (QC) Intern | Aforeserve.com Ltd. **May 2026 - Jun 2026**

- Conducted functionality audits and usability testing on **5+ core business systems**, identifying and logging **40+ software defects** to streamline engineering sprint cycles.
- Collaborated with developers to prioritize bug fixes based on system severity, reducing defect rate by **15%**.
- Analyzed system performance logs and drafted **3+ quality reports** to align release standards with operational business requirements.

RELEVANT PROJECTS

ContextRAG — End-to-End RAG Pipeline

Technologies: Python, FAISS, ChromaDB, Sentence-Transformers, Docker, GitHub Actions, Groq

- Engineered a modular Retrieval-Augmented Generation (NLP) pipeline with **2 swappable LLM backends** (Ollama, Groq), reducing retrieval latency by **35%**.
- Containerized the services using **Docker** and designed a **CI/CD** pipeline via **GitHub Actions**, cutting build-integration times by **40%**.

Distributed ML Inference Service

Technologies: Python, FastAPI, Docker, Redis, Celery, PyTest, AWS EC2

- Built a high-throughput, asynchronous ML model inference service handling **500+ concurrent requests** using FastAPI and Celery.
- Deployed the containerized stack to **AWS EC2** with **Redis** caching, reducing response latency by **65%** and ensuring **98%** service uptime.

Product Authenticity Analysis System

Technologies: Python, TensorFlow, Flask, OpenCV, Pandas, NumPy

- Developed a multi-modal Computer Vision system fusing image classification (MobileNetV2), achieving **94.5%** classification accuracy.
- Processed **500,000+ listings** using **Pandas** and **NumPy** to build a pricing-anomaly engine, optimizing data loading speeds by **30%**.

Smart AI Resume Analyzer & SaaS Platform

Technologies: Python, Streamlit, SQLite, Gemini API, Selenium

- Architected an AI resume analyzer using the Gemini API, evaluating ATS compatibility in under **3 seconds** with **98%+** text extraction precision.
- Automated real-time job scraping of **1,000+** daily listings using **Selenium**, storing analytics in a SQLite database.

ACHIEVEMENTS & CERTIFICATIONS

- Harvard's CS50's Introduction to Artificial Intelligence with Python:** Completed all **12 of 12 assignments** covering AI search, neural networks, Bayesian probability, Q-Learning, and BERT-based transformers.
- NPTEL Elite+Gold (Internet of Things):** Ranked in the **Top 5% of 10,913+ candidates** (IIT Kharagpur) with a score of **93%**.
- NPTEL Elite+Silver (Cloud Computing):** Certified in *Cloud Computing* (IIT Kharagpur) covering distributed systems across **4** virtualized deployments.

LEADERSHIP & VOLUNTEERING

- IEEE CSNT-2025 Student Coordinator (VIT Bhopal):** Volunteered at the IEEE conference of **500+** international attendees; hosted **3** session tracks and co-led stage decoration.

EDUCATION

VIT Bhopal University

B.Tech, Computer Science Engineering (AI & ML Specialization)

CGPA: 8.42 | Coursework: Data Structures & Algorithms, Deep Learning, NLP, Database Management

Sep 2023 - Present

Holy Cross School, Bengaluru

Secondary & Senior Secondary Education

Jun 2021 - Mar 2023

Class X: **95%** | Class XII: **85%**
